

TEAMS SHORT-LISTED FOR MENTAL HEALTH CENTRE PENETANGUISHENE PROJECT

In August 2009, Infrastructure Ontario, Mental Health Centre Penetanguishene and the Ministry of Health and Long-term Care began the process to pre-qualify teams to design, build, finance and maintain a new, state-of-the-art forensic mental health facility that will be built on the hospital's existing site.

Teams were pre-qualified through a rigorous competitive request for qualifications process that evaluated and ranked their:

- Approach to project development;
- Design capability and experience;
- Construction capability and experience;
- Maintenance management and security experience; and
- Financial and financing information and their ability to successfully reach a financial close.

The three highest scoring teams were short-listed for the project and include:

- **Carillion Health Solutions, including:**
 - Carillion Canada Inc.
 - Vanbots, a division of Carillion Construction Inc.
 - Parkin Architects Limited
 - Read Jones Christoffersen
 - TMP Consulting Engineers
 - Crossey Engineering Ltd.
 - JMR Electric
 - Siemens Building Technologies
- **Integrated Team Solutions, including:**
 - EllisDon Corporation
 - Fengate Capital Management Ltd.
 - Cannon Design
 - Mulvey & Banani International Inc.
 - Geo. A. Kelson Company Limited
 - Hidi Rae Consulting Engineers Inc.
 - Honeywell Limited (Canada)
 - National Bank Financial Inc.
 - Univex (Ontario) Limited

- Stephenson Engineering Limited
- **Plenary Health, including:**
 - Plenary Group Canada
 - PCL Constructors Canada
 - Johnson Controls
 - Innisfree
 - HCP
 - HDR
 - Halsall Associates
 - Smith and Andersen
 - Plan Group
 - Modern Niagara
 - RBC Capital Markets
 - Lobo Consulting Services
 - Vipond Inc.
