APPENDIX 1
PAYMENTS AND HOLDBACKS

1. APPLICATIONS FOR PAYMENT

- 1.1 Applications for payment on account may be made monthly as the Construction Work progress.
- 1.2 Project Co and Contractor agree that for the purpose of calculating payment hereunder and for the amount of any Legislative Holdback under the Construction Contract such determination shall be based only upon the Cost of the Work.
- 1.3 Application for payment by Contractor shall be dated the last day of the agreed monthly payment period and the amount claimed shall be based on the value, proportionate to the Cost of the Work, of the Construction Work performed forming part of the Cost of the Work including Products delivered to the Site at that date. The application for payment shall also include and separately state the value of the Construction Work performed with respect to Change Orders or Change Directives the payment of which Project Co is responsible for and which are included within Additional Owner Payments. Applications for payment shall be made to the Consultant and to the Lender's Consultant at the same time. The Lender's Consultant shall be responsible for verifying the application for payment to the Lender.
- 1.4 Contractor shall submit to the Consultant and the Lender's Consultant, at least 14 days before the first application for payment, a schedule of values for the parts of the Construction Work so as to facilitate a valuation of applications for payment.
- 1.5 The schedule of values shall be made out in such form, broken down in such detail and supported by such evidence as Project Co and the Consultant and the Lender's Consultant may reasonably direct and when accepted by the Consultant and the Lender's Consultant and Project Co, shall be used as the basis for applications for payment, unless it is found to be in error.
- 1.6 Claims for Products delivered to the Site but not yet incorporated into the Construction Work shall be supported by such evidence as the Consultant may reasonably require to establish the value and delivery of the Products.
- 1.7 Contractor shall submit to Project Co, the Consultant and the Lender's Consultant a statement based on the schedule of values, a Workplace Safety & Insurance Board Certificate of Clearance, the updated Construction Schedule provided under Section 18.1(e) of the Project Agreement and an updated cash flow with each application for payment.
- 1.8 With the second and all subsequent applications for payment, except the final payment and release of holdback applications, Contractor shall submit a Statutory Declaration on CCDC Form 9A.

2. PROGRESS PAYMENTS

2.1 The Consultant will issue to Project Co, no later than 10 Business Days after the receipt of an application for payment from Contractor submitted in accordance with Section 1 of this Appendix 1, a certificate addressed to Project Co of the progress of the Construction Work in relation to the schedule of values, a copy of which shall be provided to Contractor and the Lender's Consultant. Contemporaneously, the Consultant will issue a certificate for payment to Project Co of Additional Owner Payments payable by Project Co with respect to the application for payment from Contractor in the amount applied for or in such other amount as the Consultant determines to be properly due, a copy of which shall be provided to Contractor and the Lender's Consultant. If the Consultant requires amendments to the application, the Consultant will promptly notify Contractor in writing giving reasons for the amendment, a copy of which shall be provided to Contractor and the Lender's Consultant. The Lender's Consultant will be responsible, no later than 5 Business Days from receipt of the certificate of the progress of the Construction Work in relation to the schedule of values from the Consultant, for issuing certificates for payment to Lender and Contractor respecting Base Progress Payments, based on the Lender's Consultant's independent assessment of the schedule of values, a copy of which shall be provided to Owner and Consultant. Project Co and the Consultant shall not be responsible for any delay in issuing a certificate for payment in respect of or for payment of Base Progress Payments on account of the activities of the Lender's Consultant and/or the Lender.

2.2 Payment to Contractor on account of Base Progress Payments and monthly progress payments with respect to Additional Owner Payments shall be made no later than 10 Business Days after the date of a certificate for payment.

2.3 Applications for progress payments will continue to be provided to the Lender's Consultant so long as any amount that has been held back by Project Co pursuant to the Construction Contract for the Construction Work completed prior to the Substantial Completion Date remains unpaid.

2.4 Notwithstanding the time periods provided regarding the approval and certification of payment by the Consultant or the Lender's Consultant in Section 2.1 of this Appendix 1 and for payment in Section 2.2 of this Appendix 1, respectively, the total period of time between receipt of the application for payment by Contractor and payment by Project Co shall be no more than 25 Business Days, except with respect to any amount held back from such payment by Project Co in accordance with the Construction Contract.

2.5 Construction Liens

.1 Notwithstanding anything else in this Appendix 1 – Payments and Holdbacks, in the event a claim for a construction lien is registered against the Site arising from the performance of the Construction Work, and unless Contractor makes alternative arrangements to bond or otherwise secure the amount of the lien claim and costs associated therewith satisfactory to Project Co, acting reasonably, or Project Co receives any written notice of lien arising from the performance of the

Construction Work, Project Co shall be entitled to withhold such portion of any payment otherwise due to Contractor in an amount Project Co reasonably determines would be required to satisfy the applicable lien claimant and any costs and expenses incurred by Project Co in connection therewith, including such amount on account of costs of the lien claimant such that Project Co may, upon payment of the amount of the lien claim together with such costs into court, obtain an order vacating such lien pursuant to the *Construction Lien Act* (Ontario), until such time as such claim has been dealt with as provided below.

- .2 In the event that a written notice of a construction lien arising from the performance of the Construction Work is received by Project Co, and unless Contractor makes alternative arrangements to bond or otherwise secure the amount of the lien claim and costs associated therewith satisfactory to Owner acting reasonably, Contractor shall, within 30 days, at its sole expense, arrange for the withdrawal or other disposal of the written notice of a lien pursuant to the *Construction Lien Act* (Ontario).
- .3 If a construction lien arising from the performance of the Construction Work is registered against the Site, and unless Contractor makes alternative arrangements to bond or otherwise secure the amount of the lien claim and costs associated therewith satisfactory to Project Co, acting reasonably, Contractor shall, within 30 days, at its sole expense, vacate or discharge the lien from title to the Site. If the lien is merely vacated, Contractor shall, if requested, undertake Project Co's defence of any subsequent action commenced in respect of the lien at Contractor's expense.
- .4 If Contractor fails or refuses to vacate or discharge a construction lien or written notice of lien arising from the performance of the Construction Work within the time prescribed above, and unless Contractor makes alternative arrangements to bond or otherwise secure the amount of the lien claim and costs associated therewith satisfactory to Project Co, acting reasonably, Project Co shall, at its option, be entitled to take all steps necessary to vacate and/or discharge the lien, and all costs incurred by Project Co in doing so (including legal fees on a full indemnity basis and any payment which may ultimately be made out of or pursuant to security posted to vacate the lien) shall be for the account of Contractor, and Project Co may deduct such amounts from the amounts otherwise due or owing to Contractor.
- .5 Without limiting any of the foregoing, Contractor shall satisfy all judgments and pay all costs resulting from any construction liens arising from the performance of the Construction Work or any actions brought in connection with any such liens, or in connection with any other claim or lawsuit brought against Project Co by any person that provided services or materials to the Site which constituted part of the Construction Work.
- .6 The provisions of Sections 2.5.1 through 2.5.5 inclusive, of this Appendix 1, do not apply to construction liens filed by Contractor which are claimed as a result of

any default of Project Co to make payments to Contractor in accordance with the terms of the Construction Contract.

3. PAYMENT OF HOLDBACK UPON SUBSTANTIAL COMPLETION

- 3.1 After the issuance by the Consultant of the certificate of substantial performance of the Construction Work under Section 16.2(c) of the Project Agreement and the certificate of Substantial Completion of the Construction Work under Section 16.2(d) of the Project Agreement, Contractor shall:
- .1 submit an application for payment of the holdback amount;
 - .2 submit a written request for release of holdback including a declaration that no written notices of lien arising from the performance of the Construction Work have been received by it;
 - .3 submit a Statutory Declaration CCDC 9A; and
 - .4 submit an original Workplace Safety & Insurance Board Certificate of Clearance.
- 3.2 After the later of (i) the receipt of the documents set out in Section 3.1 of this Appendix 1, and (ii) the expiration of a period of 45 days from the date of publication of the certificate of substantial performance pursuant to the *Construction Lien Act* (Ontario), the Consultant shall issue a certificate for payment of the holdback amount.
- 3.3 Prior to the date of the release of the holdback, Contractor shall have removed from the Site all supplies, waste materials, rubbish and temporary facilities and all personnel except as required to achieve Final Completion or to correct any remaining Minor Deficiencies.
- 3.4 Subject to the provisions of Section 2.5 of this Appendix 1 and the removal of claims for lien preserved or perfected pursuant to the *Construction Lien Act* (Ontario) arising from the performance of the Construction Work, the holdback amount authorized by the certificate for payment of the holdback amount is due and payable on the second Business Day following the receipt of the certificate for payment of the holdback amount pursuant to Section 3.2 of this Appendix 1.

4. COMPLETION

- 4.1 Contractor shall provide As-Built Drawings and Specifications, Record Documents, spare parts and shop drawings as soon as possible and in any event within 30 days of the Substantial Completion Date.
- 4.2 Save and except with Project Co's prior written approval, Contractor shall complete all deficient Phase 1 Work and assign and provide all of the Phase 1 Deliverables that remain outstanding no later than 120 days from the date when Completion of the Phase 1 Work is certified and shall complete all Minor Deficiencies and assign and provide all of the Project Deliverables that remain outstanding no later than 120 days from the date

when Substantial Completion of the Construction Work is certified, unless the reasons for any delay are acceptable to Project Co or the delay is caused by Project Co.

5. FINAL PAYMENT

5.1 When Contractor considers that the Construction Work is completed, Contractor shall submit an application for final payment. Contractor's application for final payment and release of finishing construction lien holdback, shall include the following documentation:

- .1 Contractor's written request for release of holdback, including a declaration that no written notices of lien arising from the performance of the Construction Work have been received by it;
- .2 Contractor's Statutory Declaration CCDC 9A;
- .3 Contractor's Workplace Safety and Insurance Board Certificate of Clearance; and
- .4 a written statement that the Construction Work has been performed to the requirements of the Contract Documents, itemizing approved changes in the Construction Work, the Consultant's written instructions, and modifications required by Governmental Authorities.

5.2 The Consultant will, no later than 10 days after the receipt of an application from Contractor for final payment, complete its review of the Construction Work to verify the validity of the application, and no later than the 3rd Business Day after completing the review, will notify Contractor whether the application is valid or give reasons why it is not valid.

5.3 When the Consultant finds Contractor's application for final payment valid, the Consultant will issue a final certificate for payment.

5.4 Subject to the other requirements of this Construction Contract, the unpaid balance of the Guaranteed Price hereunder shall become payable to Contractor on the later of:

- .1 the 2nd Business Day following the expiration of all liens pursuant to the *Construction Lien Act* (Ontario); and
- .2 the 2nd Business Day following the issuance of the Consultant's final certificate for payment,

subject to Project Co's right under the Construction Contract to withhold payment from the unpaid balance of the Guaranteed Price hereunder including for any amounts required pursuant to Section 6 of this Appendix 1, and any sums required to satisfy any lien or trust claims arising from the Construction Work.

6. WITHHOLDING OF PAYMENT

- 6.1 If because of climatic or other conditions reasonably beyond the control of Contractor, there are items of work that cannot be performed, payment in full for that portion of the Construction Work which has been performed, as certified by the Consultant, shall not be withheld or delayed by Project Co on account thereof, but Project Co may withhold, until the remaining portion of the Construction Work is finished, only such amount that the Consultant determines is sufficient and reasonable to cover the cost of performing such remaining Construction Work.

7. NON-CONFORMING WORKS

- 7.1 No payment by Project Co under the Construction Contract nor partial or entire use or occupancy of the Construction Work by Project Co shall constitute an acceptance of any portion of the Construction Work or Products which are not in accordance with the requirements of the Contract Documents.
